

Al Marsa

Rich delecacies

Welcome

introduction

This restaurant has been making people happy since 25 years and is now going to introduce you to chatbot where you can pre book your orders and know about the restaurant

Purpose

- To make faster communication between the customer and hotel
- To provide the customer with details about the restaurant
- To place quick reservations and orders

Short term goals

- Adding a menu card to chatbot
- Making the bot user friendly and easy to use

Long term goals

- Adding database to store customer's input
- To make reservations easier and faster

thank you

Thanks
